“ Deanna and I worked together, and over the pst couple years we became close. I told her a lot about me that most people would judge but she was there for me... like a true friend. She was a true friend. She was so beautiful and I know her beautiful soul is somewhere with us all, yet we can't see her. Rest in paradise, you're with god now. I'm so blessed to have had a friend like you, blessed to have known you, I know you're the most perfect guardian angel I'll ever have. Until we meet again, I love you

“ I will never forget you Deanna. You were a big part of my life since we were ten years old. My first best friend. Through the years we always made sure we stayed in contact. Beautiful inside out and full of life. Most of my best times in my life were with you, I can never forget you. You were a sister to me. I love you so much you have no idea. Fly high beautiful

“ Deanna was a beautiful young lady full of life. Sweet soul and I just knew from talking to her and from her FB posts her little girl Ava was the most important thing to her in this world. She was a great Mamma and will for sure be watching over her daughter and her family from Heaven. I knew Deanna through my son Kevin. They went to HS together. When my son passed she was instrumental in being there for us and making sure we were ok. You will be missed, gone to young. You are now a Heavenly Angel up there and I am sure Kevin was right there to greet you and welcome you. My heart and my prayers go out to the family, I will continue to lift you up in my prayers and pray for peace, comfort, strength through this difficult time.

“ I will never forget her laughter, her beautiful smile and kind heart. One of the most honest people I have ever met, she is the driving force to making me want to become the best person I can possibly be, she is eternal in her essence.
