“ I cherish this photo of Mario with a precious baby of a mom who came back to the abortion clinic in Toms River to thank Mario and the faithful prayer group for helping her make a decision for life for her child. I'm sorry it's not a better quality photo. I was blessed to know Mario. He was an incredible man.

“ My hero and in my heart forever. He showed me the true meaning of what is what like to follow Christ. He shook his head each time I reminded him he was a walking saint, his humbled heart never understood just how much he taught me and so many others about the precious gift of life. I was blessed to walk beside him, cry beside him and pray beside him. I will miss him greatly. Rest peacefully in the arms of our Lord my wonderful friend -- you are a rare example of what it is like to be faithful servant of our Lord. Love to all of you and peace in your hearts.
